

Monthly Newsletter

March 2009

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. Les Bois Kiwanis is a club of the Utah Idaho District of Kiwanis International. Regular meetings are held each Tuesday morning at 7:00 a.m. at the Owyhee Plaza. Board Meetings are held the second Tuesday of each month.

President's Message:

Special thanks to all in the club who helped out with the Special Olympics World Winter Games in February. If you were a volunteer, please email Tim Haskell with your total time so that Tim can count this as a service project for the club.

We are looking to hold our Highway Cleanup on April 4, which is Kiwanis One Day. This would be a division wide cleanup with all clubs cleaning their sections of highway the same day. Kiwanis One Day is a nationwide Kiwanis project day. We are still working out the bugs, but hope to have city wide publicity and special Sheriff's patrols of the sections of highway we are cleaning.

Thank you Ken and Tim for the speakers in February, we had some very interesting subjects.

Items of discussion for the board this month include By-Law changes/update, Club Elections, projects with InterFaith Sanctuary and Boise Bicycle Project.

Please remember to bring guests to our meetings. At least one meeting this month may be a roundtable to discuss projects as listed above.

Sincerely, Steve Fields

Hear Ye, Hear Ye... Club Officers Needed!

Look to the left and you'll notice in red that several posts remain unfilled. Additionally, in the next month, we'll be electing officers for the new year which begins October 1st. If you haven't served on a committee or as an officer, please consider doing so **now**. With a club that is more than 35 years old and many long time members, most have already served as club president or in some other officer role. It's a very rewarding experience and a great opportunity to get to know your fellow Kiwanians better. They will surprise you! And you may surprise yourself.
